Foreword

In days to come, we hope that this book will grow in value. Many years from now, it will keep alive the memories gathered during the undergraduate days.

We, on the annual staff, sincerely hope that this yearbook will help you relive your high school days, so they may not be forgotten later on.

We feel that your satisfaction with this volume is our compensation, and with this thought the staff presents to you the 1956 Tiger.

To the above Members of the Roff Board of Education and to all those who have served in this capacity in the years past; we wish to gratefully dedicate the "Tiger" annual of 1956.

Yours is the task of guiding the local school in all of its varied activities; the selecting of competent teachers, the making of policies, the maintaining of a good school plant, and always keeping in mind the good of the children of your community.

You are the men who have seen, and know the full meaning of civic responsibility. You have gladly sacrificed your time, effort, and energy for the worthiest of all causes; the betterment of our youth today and our citizens of tomorrow.

Yours has quite often been a thankless job; and too often our patrons, teachers, and others fail to say "Thank You" for the wonderful work you are doing.

We wish to pause at this time and tell you that we do appreciate your work and we feel that we speak the sentiments of our community. Thanks for making our 1956 school year a successful and happy one; and May God Bless You.

Superintendent's Message

To Students and Patrons:

It has been my pleasure to sponsor this Class of 1956. You have been one of our finest. May I wish for each of you the best.

We today, as educators agree that our schools exist for the sole benefit of the child. Modern schools have as their aim the turning out of a well balanced young man or woman, one that will be useful to society. An intelligent mind in a healthy body, both guided by good character.

We believe that better schools make better communities. It is our sincere aim to give you the best possible school for your children with your kind cooperation and understanding.

Sincerely,

Richard H. Swink

Principal's Message

Class of '56:

As graduates-to-be, you are probably going to think at some time near graduation: no more school, no more teachers! Don't be fooled, for such a thought is a temporary illusion. The truth of the matter is that you are about to be enrolled in the greatest school---Adulthood---and faced by a far more exacting teacher---Life herself. You'll learn much from Life, for she is a teacher of many moods and circumstances. She is sometimes joyous, sometimes turbulent, sometimes depressed ---and you will be affected by each turn of mood. The circumstances of learning will be intentional and accidental, limited and unlimited, surprising and unsurprising, voluntary and involuntary, encouraging and discouraging, and productive and unproductive. Your textbook will be a voluminous tome, entitled "Wisdom and experience," and your homework will be assignments in Work, Family, and People---for the most part. Of course, there will be many tests given you by the teacher, but the Final Exam will be the one that counts.

I hope that each of you will meet your teacher fully prepared, that each of you will be a good student, and that you will pass the Final Exam with flying colors. Adio's. Hasta Manana.

Sincerely,

Rudawn Clifton

SOUTH BOYS WIN ALL-STAR GAME

Left to right: Stanford, Quinton, Breeden, Gilliam, King, Hendrix, A. Griffith, Fennell, Stephens, Potts, C. Griffith. In front: Allen Larsh, M.W. Potts, Herbert Stanford.

By CHARLES RHOADES

A pair of whiz-bang, action packed basketball games ended the playing of the sixth annual Ada NEWS All-Star basketball classic Monday night.

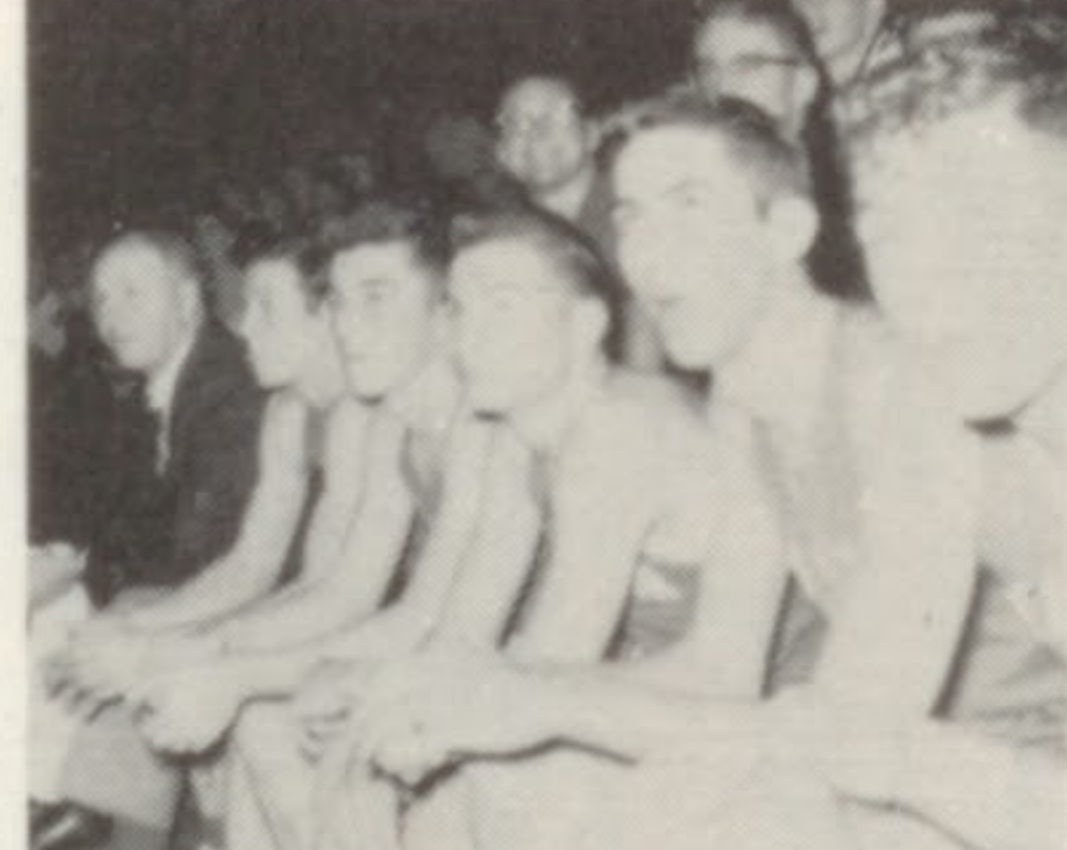

Winners were according to expectations, but rivalry keen from start to finish.

The North boys took a 15-13 first quarter lead over the power-aden South club, but couldn't hold it after North shooting went cold in the second quarter.

Every member of the South team broke into the scoring while the North team had seven players in the scoring column.

John Kerr, Byng, and Don Thompson, Stonewall, shared individual scoring honors. Each player counted 13 points.

A banquet honoring the All-star players and coaches is scheduled for Tuesday night, March 13, at the East Central Student Union.

AND SO GOODBYE

CLASS PROPHECY

Many years have gone by,
 Since the Class of 1956 left Roff High.
 The years have rolled swiftly on.
 Where have our classmates gone?
 Murriel Gilliam has won fame.
 As an engineer his money came.
 Don Quinton is in the Navy.
 His job is dishing out the gravy.
 Norma Swink has a college diploma.
 She is teaching school in Oklahoma.
 A drugstore cowboy is Earl House.
 Around his wife he's a little mouse.
 You should see Aleta Murray.
 A doctor's wife has many a worry.
 Arvis Griffith owns a farm,
 With cows and chickens in the barn.
 Ruth Hudson is on the stage.
 Her acting creates quite a rage.
 Foy Hendrix is teaching F.F.A.,
 Dehorning cows and pitching hay.
 Marilyn Huddleston is in Illinois,
 An authority on men and boys.

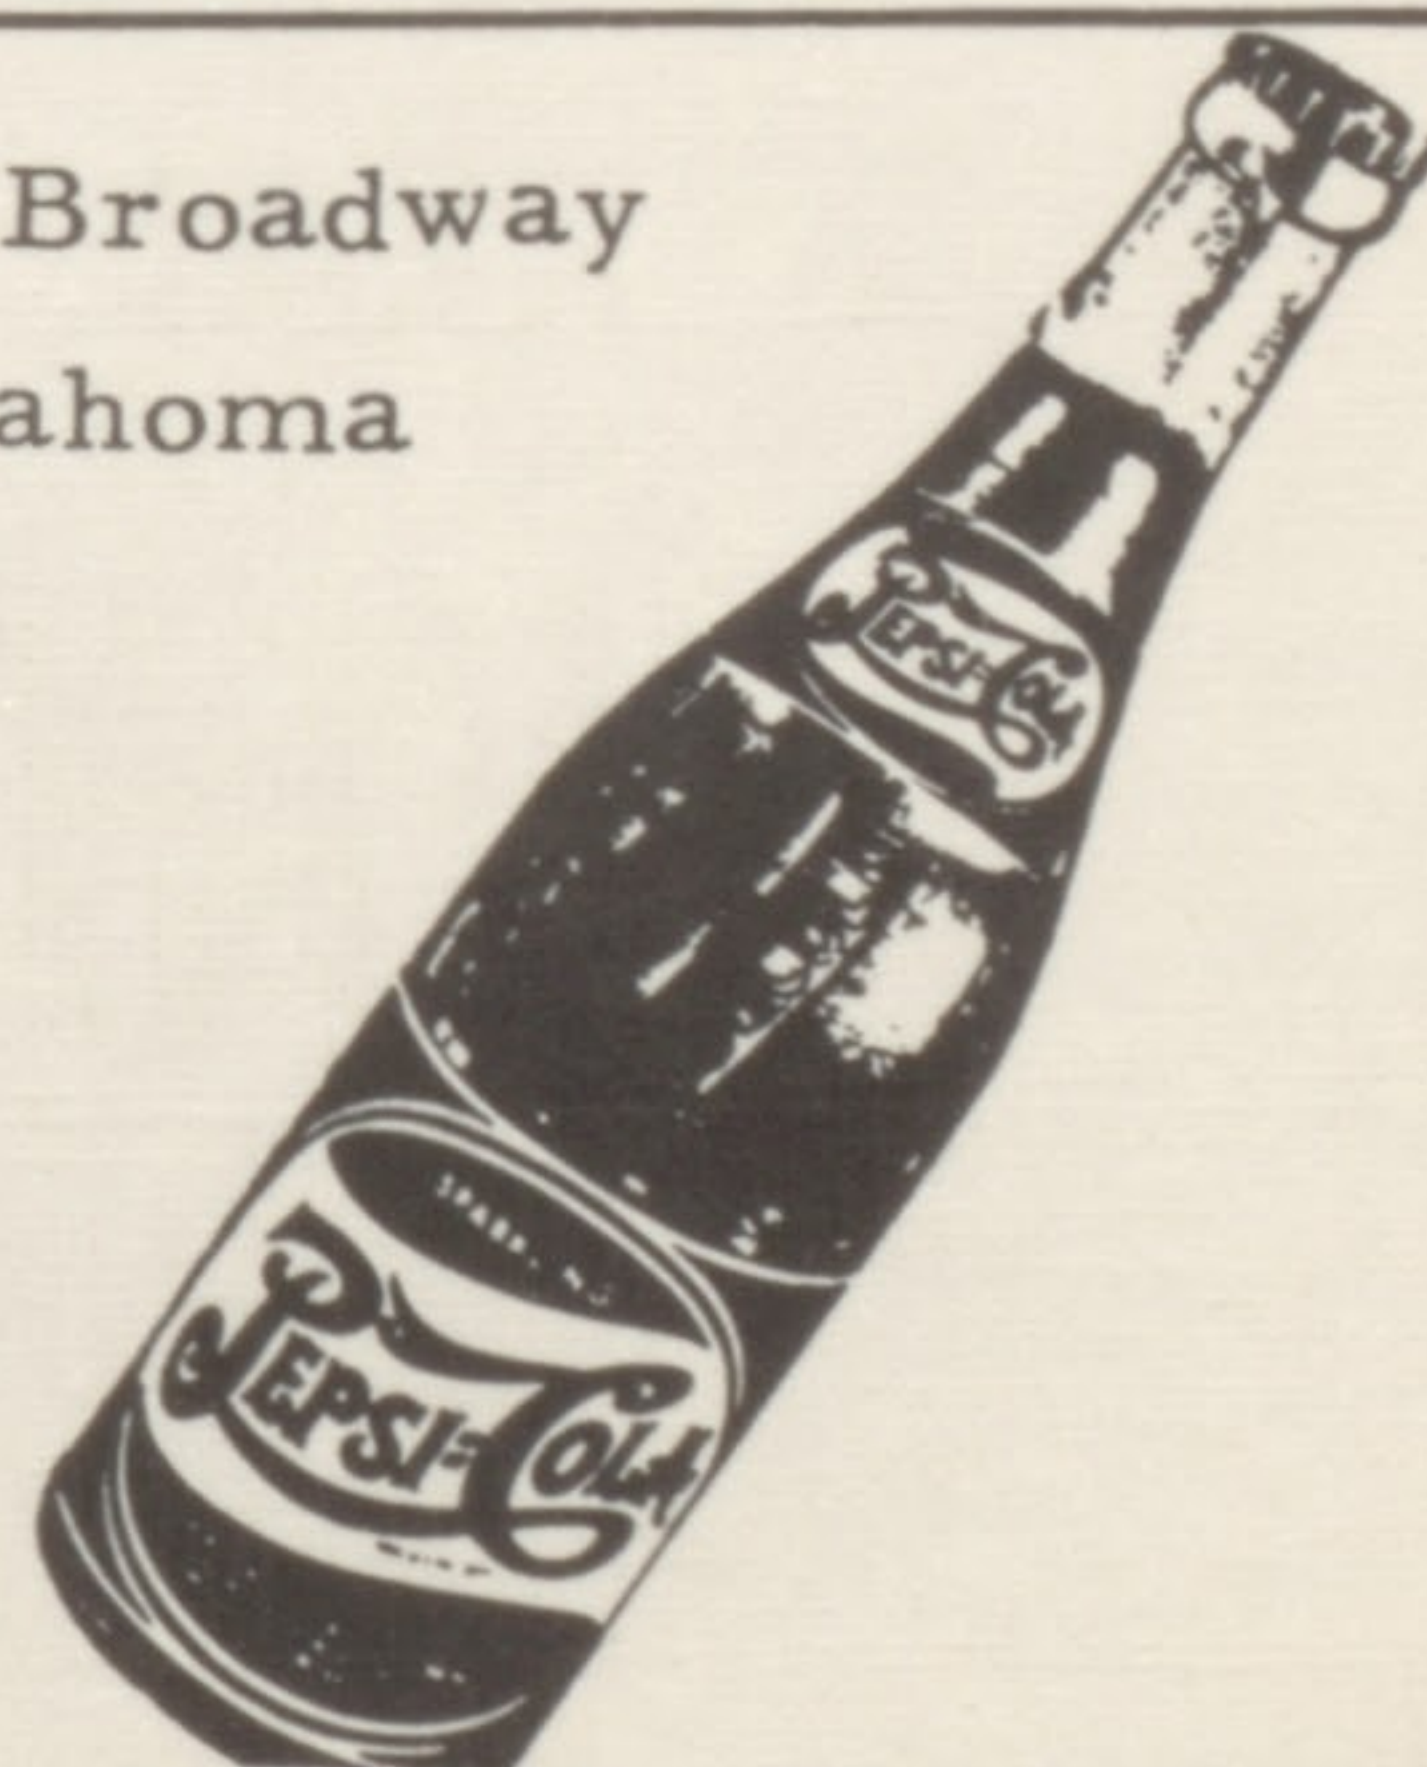

Joe Medlock is still in Roff,
 Living with his father and mother.
 He still enjoys single bliss,
 Because Linda chose another.
 On TV we see Harlene Walls,
 Playing independent basketball.
 Annette Wilkirson paints real well.
 A million paintings she did sell.
 Tommy Musgrave has his woes,
 Because he's too bashful to propose.
 Very happy is Eugene King.
 Married life is just the thing.
 In California, the land of milk and honey,
 Billy Mosley is making money.
 Brimming over with ambition,
 Bobby Clifton flew to Mars.
 We hear he still remains,
 Selling motor cars.
 And now the prophecy is ended,
 Of all the classmates we knew.
 And truth is stranger than fiction,
 Some of this might come true.
